

Firearm Safety Rules to live by

- **Treat all firearms as if they are always loaded and know the condition of your firearm**
- **Keep your finger off the trigger and along the slide/frame until you've identified the target and have made the decision to shoot**
- **Never point the muzzle at anybody or anything you're not willing to kill or destroy**
- **Be aware what's in front, behind, and at the sides of your target**
